TEACHER REVIEWS

4.0

"The perfect companion with our life skills year long packet! Thank you! This has made implementing life skills at the high school level so easy. I love that the data collection sheets are provided as well. These sheets will make IEP season so much easier."

- Kayla M

4.0

"A great resource for nonverbal or limited verbal students with autism in my middle school classroom. I use it to help support leveled life skills units to include all ability levels."

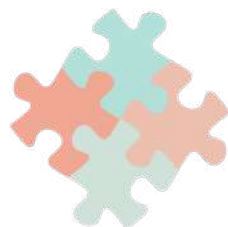

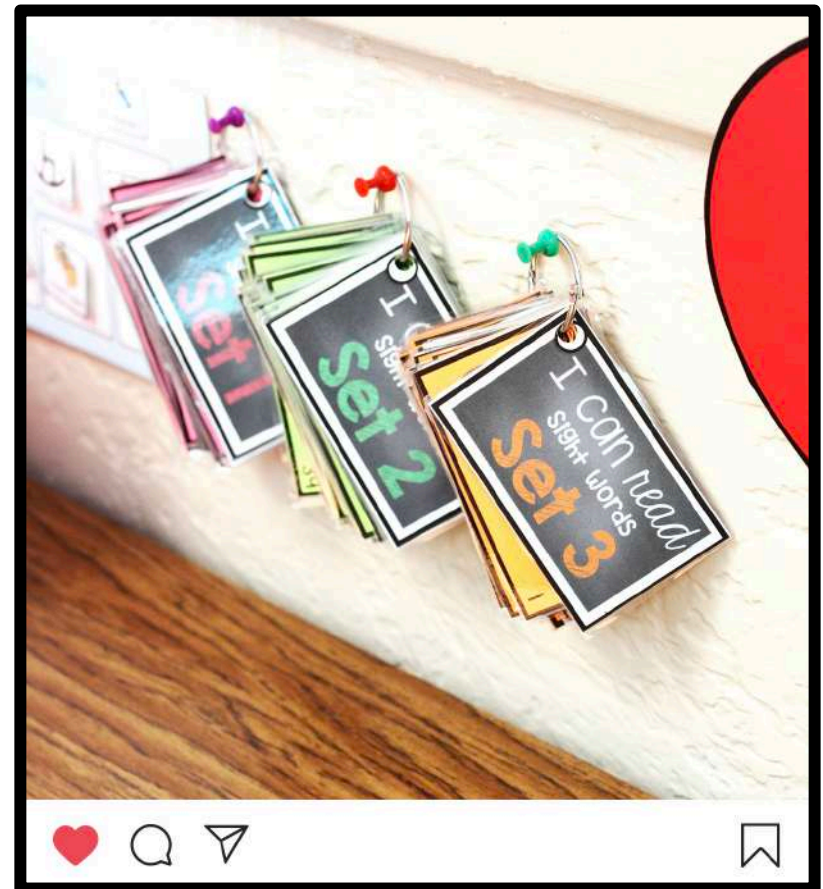

- Lauren H
