# TEACHER REVIEWS

4.0

*"Life skills to me is one of the most important things for my students to learn in order for them to eventually live a successful, independent, adult life. This resource will be perfect to work on those skills."*

*- Cassandra C*

4.0

*"This has been a great resource to use with my life skills students to practice and then use for review during eLearning days when they need more independent tasks."*

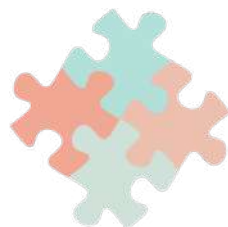

*- Sarah C*
