SIMPLE MATH 2

Use this resource in a work box system or for independent work time to encourage independence and generalization of skills!

The image displays two sets of educational worksheets. The top set is for "Touch Point Addition Level 4" and includes:

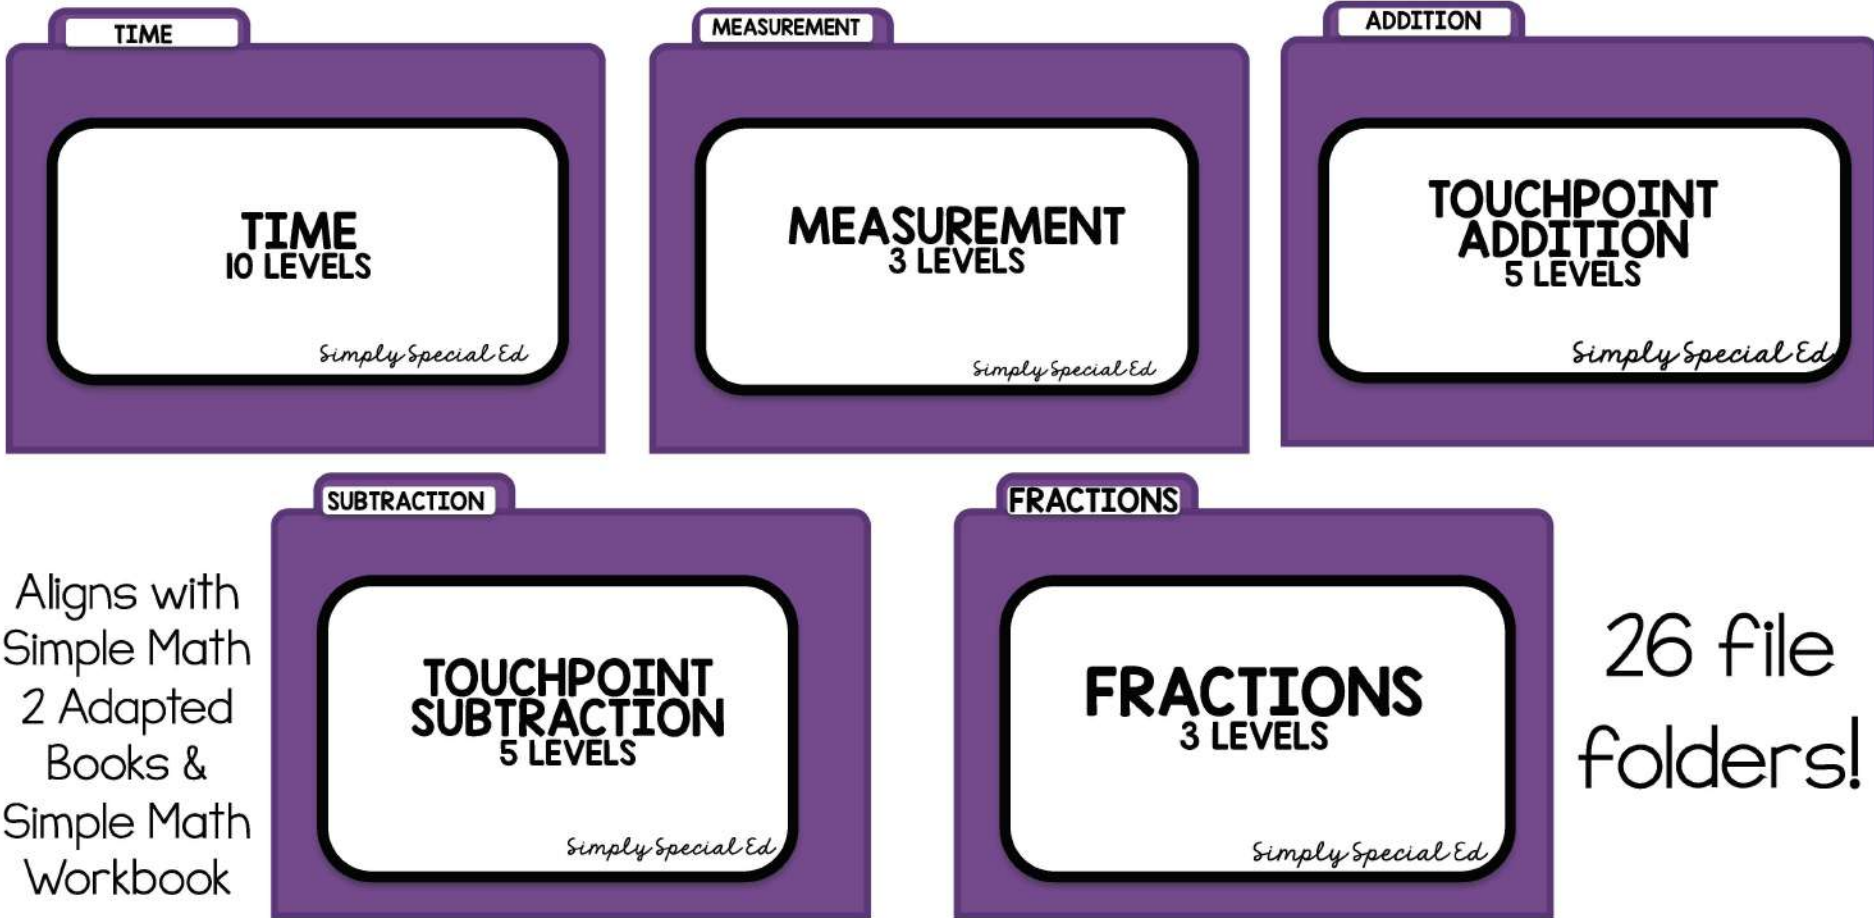

- A central instruction card with the title "Touch Point Addition Level 4 Numbers 5-9" and a sample problem $4 + 5 = 10$. It features a small icon of a hand with a red dot on the index finger pointing to the top of the number 4. The card is signed "Simply Special Ed".
- A grid of nine small addition problems, each with a red dot on the top of the first number to indicate the starting point for counting. The problems are: $5 + 5$, $9 + 5$, $6 + 5$, $9 + 8$, $7 + 9$, $7 + 5$, and $4 + 5$.
- A separate sheet with four large red numbers: 17, 16, 15, 12, 9, and 8, arranged in two columns.

The bottom set is for "TIME Level 9 :25 past" and includes:

- A central instruction card with the title "TIME Level 9 :25 past" and a clock face showing 1:25. The card is signed "Simply Special Ed".
- A grid of twelve clock faces, each showing a different time that is 25 minutes past the hour (e.g., 1:25, 2:25, 3:25, 4:25, 5:25, 6:25, 7:25, 8:25, 9:25, 10:25, 11:25, 12:25).

Both sets of worksheets include instructions at the bottom: "Cut into squares to match to the page."
