HOW DOES IT WORK?

Collect and share information with the IEP Team by easily sharing a Google Form™ for Meeting Reminders, Parent Survey, or IEP Input Survey.

The image shows a laptop screen displaying a Google Form titled "IEP Parent Survey". The form is set against a light purple background. The title "IEP Parent Survey" is at the top in a bold, black font. Below the title is a paragraph of instructions: "Please answer with student strengths and concerns to help us write an IEP that reflects all concerns of the team - including you!". A red asterisk followed by the word "Required" indicates that the following questions are mandatory. The form contains five text input fields, each with a label and a red asterisk: "Your Name:", "Your child's name:", "STRENGTHS - What do you feel your child does really well?*", and "WEAKNESSES - What does your child need extra help with?*" (the last one is partially visible). Each input field has a placeholder text "Your answer" and a horizontal line for typing. The laptop is silver and is placed on a white surface. A dark blue cup is partially visible on the right side of the laptop.
